

The Enrolled Nurse
Professional
Association of NSW
"Lighting the way for Enrolled Nurses"

<http://www.enpansw.org.au>

The Enrolled Nurse Professional Association (ENPA NSW) was formed in 1994 at Ashfield NSW after the Inaugural State Conference for Enrolled Nurses (NSW 1993) identified a need for special interest groups to be formed to pursue the professional interests of this group of nurses. From this first basis a strong association has evolved to meet the needs of our members in NSW and across Australia. This association is ENPA, the Enrolled Nurse Professional Association of NSW with members on our database of state, national and international ranking.

ENPA NSW membership is open to all Enrolled Nurses and Trainee Enrolled Nurses throughout Australia.

Professionally the Enrolled Nurse Professional Association is the peak consultative body for enrolled nursing in NSW.
